How to apply to Mountainland Technical College

1

**Apply
online at
portal.mtec.edu**

Applying is FREE and easy. It's all done online. High school students must
be at least 16 yrs old AND a Junior to apply. First time applicants can only
choose "undecided" as a program choice. After your account is created
you can then select specific programs.

2

**Complete
Admission
Requirements**

Program admission requirements may be met by taking our assessment
test in our Testing Center or by bringing qualifying documentation to the
testing center or by emailing them to testcenter@mtec.edu
For full information visit mtec.edu/testing

3

**Complete
Program Specific
Requirements**

Some programs have prerequisites that must be completed before
registration. Find them online for specific programs at
mtec.edu/programs

Ex. Must meet with an MTECH counselor for Non Term Programs

4

**Register, Pay Fees
and Tuition**

If you've completed all previous steps you can register for your program,
all tuition and fees are due when you register. Students can pay either
online or at student services in our Lehi, Orem, and Spanish Fork
Campuses.

5

**Complete Online
Orientation and Get
Your Student ID**

To get your Student ID you need to have your photo taken at Student
Services
