I'd like to nominate Keller Beck as math student of the week. Keller is consistently prepared for class and collaborates with his peers. He asks great questions and persists until he understands each concept. Keller is a great math student!

I nominate Abby Rasmussen for this award because of her drive and positive attitude. Abby is always where she needs to be whenever she needs to be there. She shows up and gets her work done with a smile on her face. Abby can be quiet at times but she is also a lot of fun. She is reliable and a great student to work with.

PERFORMER OF THE WEEK

Jacob is our cello section leader in both Chamber and Symphonic Orchestras. He has helped to cultivate a remarkable and unique culture within the cello section, establishing a group identity and helping all members of the section to succeed. He has had unprecedented success in getting his section members to participate in sectionals outside of class time, and does an admirable job tackling the solos sent his way. Jacob goes above and beyond in both orchestra classes, as a member of the orchestra council, and participates in the Nebo Youth Philharmonic (the district youth symphony). We're glad to have Jacob in the orchestra!
