AP Changes for This Year

The College Board, creators of Advanced Placement, recently announced significant changes to the AP exam ordering process, deadlines, late fees and cancellation fees that will be mandated for all schools and all students in the **2019-2020** school year.

This year, all students will decide whether or not to take exams and order their exams by Nov 15, 2019. All students in 1st semester or yearlong AP classes who register after Nov 15, 2019, will be assessed a \$40.00/exam late fee. In addition, a \$45.00/exam cancellation fee will be assessed for any exam order canceled after Nov 14, 2019.

It is important that all families are aware of these looming changes, especially as students begin registering for their 2019-2020 courses. We understand that these changes may cause concern for students, parents, and teachers. Please keep in mind that these changes are being mandated by the College Board and were not determined by the school.
