

Dear Parents/Guardians

Salem Hills High School is pleased to partner with Utah Valley University (UVU) to provide Concurrent Enrollment (CE) courses. Online enrollment for Spring Semester classes at UVU has begun. If your student is enrolled in a class at SHHS next semester that offers Concurrent Enrollment credit, we strongly encourage you to have your student complete the admissions process now rather than wait for our semester to begin (our semester begins on January 17, 2017). Once they have been admitted to UVU as a Concurrent Enrollment student, they can register for classes. It takes about 48-72 hours for the admitting process to be finalized. There is a \$35 one-time registration fee payable online to UVU.

We have a very tight deadline this year and we don't want anyone to miss out on this opportunity. Here are the upcoming deadlines for UVU:

**January 25**

- Last day to complete UVU Admission
- Last day to submit prerequisite Accuplacer test scores, transcripts, and/or ACT scores to the CE office
- Last day to submit "Sophomore by Exception Application" with completed prerequisites
- <http://www.uvu.edu/concurrent/docs/concurrentexception1617.pdf>

**January 27**

- Last day to complete course sign-up
- Tuition due (\$5 per credit)
- Return signed parent permission form to Concurrent Enrollment teacher.

**February 28**
