The state of Utah has in recent years rolled out an awesome resource for helping youth in crisis. "Safe UT" is a free service accessible by phone call or text/chat or by using an App.

Safe UT is staffed 24/7 by licensed clinicians trained in crisis intervention. These clinicians also will act on and provide help on confidential tips. They even have the ability to alert our administrators of anonymous tips sent in about bullying or violence at our school.

More information can be found here: https://healthcare.utah.edu/uni/clinical-services/safe-ut/
