

# Adding Parents as Observers in Canvas

**First, the STUDENT needs to get a code for their parent/guardian**

1. The student goes to their Account settings (profile pic)
2. Choose Settings

3. Choose Pair with Observer

- Student will receive a code they give to their parent/guardian so they can create a paired account. The code expires after 24 hours.

**Second, the PARENT/GUARDIAN needs to...**

1. Go to the Nebo home page
2. Hover over or click on the Parents tab
3. Choose Canvas

4. Choose Log into Canvas as... A parent\*

5. Click on "Parent of a Canvas User? Click Here For an Account"

Parents will be prompted to enter their name, email address, create a password, and use the student pair code from the student.
