Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

From 5-8 on a week day we will be given a day to promote people to get food from Zupa's and we will receive 20 percent of the proceeds from the event. Students will be asked to send out texts to friends and family who live in the area inviting them to the event and to post a flyer on social media prior to the event. They will also be asked to stand in front of the store with posters to try to encourage as many people as possible to come and support us.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

We will have dancers sign up for 1 hour shifts to hold up posters in front of the store. The students will be reminded to only send messages to their friends and family.
