AII,

We are SO close to getting Boys Volleyball sanctioned by UHSAA! Please **complete the survey linked below** to indicate your interest in high school Boys Volleyball in Utah! Do us a solid and please **forward/share this survey link** with any others who'd be interested in HS Boys Volleyball becoming official in Utah! Salem Hills HS has hosted a team in the Utah Valley Boys High School Volleyball League, now affiliated with the Utah Boys Volleyball Association (UVBA) for at least 8 consecutive years and have gone to State-level competition in the majority of those years! We've got the talent right here and are ready to showcase it on a bigger stage.

The survey is short and should only take 1-2 minutes to complete.

Here is the link: **BOYS VOLLEYBALL INTEREST SURVEY**

Thank you, Chris Crippen SHHS Boys Volleyball Club Coach

CALLING ALL BOYS! PLEASE HELP US MEASURE INTEREST IN BOYS VOLLEYBALL!

We want to gauge the interest in boys volleyball across the state and this is best done through the boys themselves!

PLEASE share the survey link below with ANY 6th-12th* grade boys you know that play volleyball or want to play volleyball at their school.

AND SPREAD IT AROUND! Encourage the boys to share it with ANY OTHER BOYS AT THEIR SCHOOL that have interest in playing boys volleyball.

Boys can fill out the survey whether or not their school is being represented by teams.

The survey is short and should only take 1-2 minutes to complete.

Here is the link: **BOYS VOLLEYBALL INTEREST SURVEY**

Thank you! UBVA

*While high school volleyball is technically for 9-12 graders, we are interested to see how many younger boys want to play as well!
