(Facebook) [salem hills high school](https://www.facebook.com/salem.hills.high.school)

## GRADUATION INFORMATION

Salem Hills High School graduation will be on **May 27<sup>th</sup>**. The time and place will be announced as soon as we have more details.

## ALC OPEN HOUSE

Feb. 22-23 from 4:00-7:00 P.M. **(See attached flyer for more info)**

## SNOW COLLEGE “BADGER DAY BLAST”

This day event is for Junior and Senior’s only. There are multiple days available, **see the attached flyer** for more details.

# ACT FOR JUNIORS

**March 16<sup>th</sup> is the ACT for the Junior class only! Juniors will not need to register for this test, the counseling office has taken care of that. Seniors and Sophomore's will NOT have school on this day.**

## CTE MONTH

Throughout the month of February students are encouraged to research future career options as part of CTE Month. Teachers can help by encouraging students to view a variety of careers and submit answers to the questions to Ms. Turnbow in C-100. We had to be creative this year with how to do our career fair and I appreciate Alex Robinson working with me to provide us with some up-to-date awesome interviews from 'The How'.

All students who participate in viewing at least 3 different career videos and answer the following questions will jumpstart their lives by earning \$100 grand! (full-sized candy bar)

- 1 - What are 3 Steps to follow in order to pursue this career?
- 2 - What is the best advice given by the professional?
- 3 - How does the professional's personality match compared to your personality?

For those students who go above and beyond there is more.

If students answer the 3 questions AND find all the hidden "Easter Eggs" they will be entered in a drawing for cash prizes! Our FBLA club and Mr. Robinson are giving this out to one lucky winner. Send students to room C-104 if they are looking for Mr. Robinson.

All the information can be found on our CTE website!

<https://bit.ly/SHHSvirtualCareerFair>

# LIBRARY BOOKMARK CONTEST!

**\*Design your own bookmark on a form obtained from Mrs. Rawle in the library.**

**\*RETURN TO MRS. RAWLE  
BY MARCH 10, 2021**

**\*Winning bookmarks will be printed and made available for SHHS students.**

## Utah Girls State

Utah Girls State is an amazing opportunity for **junior** girls! This will be a week of democracy, leadership, citizenship, patriotism, and government! The virtual conference will be held June 7-11, 2021. The cost for Girls State is \$150.00. You will receive 3 college credits for the program. The deadline to apply is March 5! Apply today so you don't miss out on this amazing week! Stop by the counseling office for more information!

# We are looking for some M & M's

## (Mighty Maskers)

**Administration, Teachers, and Secret Agents in the halls will be watching and rewarding students who are wearing their masks correctly in class and in the halls. Join the M & M team and continue to keep each other healthy and safe. You never know who's watching....**

## STUDENTS OF THE MONTH

**Ruthie Davenport**

**Josh Flinders**

**Ethan Sessions**

**Reagan Henderson**

**Millicent Knowlton**

**Kenyan Gwin**

**Come and join in the fun at lunchtime this week! Bring your dollar bills and coins to vote for your favorite contestant. There will be a virtual assembly on Thursday morning at 9:00 A.M.**

Information sessions will cover:

- Scholarships
- Saving time and money
- Perks of a UVU Student ID Card
- Earning the General Education Certificate

Aubrey Turnbow

301-423-2300 ext. 1288

SHHS | CTE College and Career Ready Coordinator | CE Coordinator | FCS Specialist

**Join us for a virtual reality learning experience designed for High School, Middle School, Junior High, and Elementary school students. Students will learn about the fast-growing world of engineering and technology, explore potential career opportunities, and experience the ways in which these industries are changing the world around them.**

This event is part of the global Engineers Week created by the National Society of Professional Engineers (NSPE). The purpose of the event is to encourage the next generation of engineers by providing opportunities for them to learn more and find their interest in engineering and technology. This event harnesses virtual reality technology and is compatible with Oculus VR Headsets. For those without headsets, the event is also accessible using an internet browser. Eligible schools will receive a VR headset to participate in this event.

**Experience it in  
Virtual Reality.**
