# ATTENDANCE & ACADEMIC RECOVERY TIME

To excuse a student's absence, please simply reply to the "student attendance" email, OR to email the attendance office at: [cindie.simmons@nebo.edu](mailto:cindie.simmons@nebo.edu). Please be sure to include the student's first & last name, student ID number, as well as the date & class periods that you are needing to excuse your student from.

Students will need to makeup their UNEXCUSED absences and missed academic time by one of the following ways:

If you are in an upper-level Career and Technical Education Class you are most likely a pathway completer. We need you to apply to be recognized at the senior awards assembly on May 10th. You will receive a CTE medallion to wear at graduation, and your name will be printed individually in the program. If you have any questions please contact Aubrey Turnbow @[aubrey.turnbow@nebo.edu](mailto:aubrey.turnbow@nebo.edu) or in C-100

1. List of CTE Pathways found [here](#)

2. Submit your application on this google form application  
<https://bit.ly/2023pathway>

Career and Technical Education or CTE Pathways helps students to make choices relevant to their interests while taking all their required classes for high school graduation. These pathways open up new doors for students to dig into their personal strengths and future career interests.

# STUDENT RECOGNITION

I'd like to nominate Shawn Mecham as Math Student of the Week. Shawn brings a positive attitude to math class every day and participates meaningfully in class discussions. He asks great questions and is a fantastic collaborator. Shawn's willingness to persevere through difficult problems and reason carefully makes him stand out as an excellent math student.

**Shawn Mecham**  
Math Scholar of the Week

**Mrs. Dixon**  
Math Teacher

Not only is Aubrianne always on time to both Vet and Equine class, but she is also present and learning in the moment. Aubrianne is always participating, asking questions, and going above and beyond to understand and learn. She has often stayed during lunch to further understand concepts and spend more time with the animals. She helps to create a great learning environment and I am so glad to have her in my classes!

**Aubrianne Nielson**  
Positive Attendance Recognition

**Mrs. Gentry**

## RECOGNIZING SKYHAWKS

**Allison Miller**

Athlete for Unified Sports

**Nolan Miller**

Athlete for Baseball

**Jason Brockbank**

## PERFORMER OF THE WEEK

**Jamie Kearns**

Jamie has been a team player from the very beginning. Whether on stage or behind the scenes, Jamie's contribution to a production or class is always evident in the quality of the work displayed. The spotlight has never been the primary pursuit here. Instead Jamie will mentor, lift up, support, or rally behind others to make sure their work is the best it can be as well.
