STUDENT RECOGNITION

I'd like to nominate Idalie Elton as the math student of the week. Idalie consistently works hard in class to problem solve and persevere when faced with challenging math problems. She is a collaborative member of the class and always engages her peers in mathematical discussions. Idalie is a great math student!

PERFORMER OF THE WEEK

My dance performer selection is Sophie Weber. I've seen so much growth in Sophie's dancing from the beginning of this year. You can tell that her hard work is paying off because not only is she a more confident dancer but she is stronger technically as well. She also has an effortlessly fun personality which makes her a joy to be around. We love having her as a member of our dance company.
