Coach Degraffenried Retires!

After 10 years of successful coaching of Boys Basketball at Salem Hills High School, Jimmy Degraffenried has decided to retire. Coach Degraffenried was an accomplished basketball player at Weber State University and continued that success at SHHS. He and his wife, Heidi, have 6 children so, as you can imagine, the coach is a very busy man. Coach Degraffenried has been a fantastic coach to our boys here at Salem High and the team reached the pinnacle of success this year with a State Championship. Jimmy also received coach of the year from the Daily Herald. Degraffenried's focus was on helping the boys on the team become better men in all areas of their lives, on and off the court. Salem Hills Principal, Mr. Peery states that Coach Degraffenried's standout qualities include his concern for the boys and his love of the game. We will always be grateful to Coach Degraffenried for all he accomplished here at SHHS.

The coach next year will be Blake Francom. He has already started working hard to prepare. We are looking forward to next year's basketball season.
