## SHHS Student Featured:

Isaac Evans, one of the North American Gamebird Association's youngest members, was featured on the NAGA Website and is already well on his way to carving out a future in the game bird industry. In the article written by Emily Johnson, Evans is featured for his life long passion for game birds. Check out the article at this link: <https://www.mynaga.org/family-traditions/>

Evans participates in the Salem Hills FFA chapter, and he applied for the grant and began to build the business. In the article, his father states, "It was really exciting when Isaac was chosen, because the FFA only gives out 150 grants a year," Isaac's father also happens to be Josh Evans, a teacher here at SHHS, Salem Hills FFA is unlike most other high schools across the country because the school has a large

SHHS FFA will be using his game bird-rearing project as a model for other students who are interested in the industry.

## Thanks to Tayler Elementary for inviting us to attend Hero Night

Recently Salem Hills High School had the chance to visit with Taylor Elementary students on Hero Night. Our student council and mascot were there, and athletes from girl's soccer, football, volleyball, girl's basketball, boy's golf, and cross country all attended. We appreciated the chance to be there, and the students at Taylor made our day by sending us thankyou notes afterward. Here are some examples:

## ACT Prep Program

An awesome ACT prep program is available to SHHS students through Method Test Prep, an online program you can use at school and/or home. For juniors that took the ACT practice test on Sept. 18, your account is already set up and you can access the program simply by signing in at [methodtestprep.com](http://methodtestprep.com). For sophomores or seniors that would like access to the program, see Mr. Lundell in the Counseling Center or Mrs. Rawle in the Library.

The program has great tips and provides excellent practice that can significantly increase your ACT score.

## INTERNSHIPS

Attention parents of seniors: Does your student want more information about a career they are interested in? Is your student undecided about what career field they would like to enter? Have them see Mrs. Thomas in the counseling center, within the next few weeks about setting up an **internship** for 2nd semester!
