Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

This is a fundraiser that can be conducted by the coaches to raise funds for their program. The funds can be used to save for big projects such as uniforms, more expensive equipment, as well as, allow the coaches to supplement their programs in regards to team awards, travel, and help with stipends of assistant coaches. Coaches may also take the liberty to use this as an opportunity to supplement the player fees for players looking to earn their funds for participation.

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

Coaches approach local businesses for their sponsorship and support.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

Coaches use the communication of email, phone, or in person.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge.
