Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

We will be raising funds to purchase helmets for the girl's lacrosse team. They are not mandatory by US lacrosse or UHSAA. The research shows that wearing a helmet greatly reduces the percentages of concussions. We will also use the funds to purchase resisstants bands. The team will use some of the funds to purchase goggles and sticks that will belong to the team, so that there are several when we have girls that need extra time to purchase their own. We will use the funds to make sure that all of our equipment stays updated and safe. We will use the funds to help with a one day camp in July.

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

The funbdraiser is done through a website call "Sportrax". The athletes will not have to go door to door.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.
