

SHHS School Community Council Minutes for 1/9/23

Members in Attendance: Melanie Paxton, Shelly Neria, Lori Muir, Rebekah Davenport, Janessa Wilkinson, Kelsey Gardner, Kelly Mickleleson, Ryan McGuire, and Curtis Burton

Pledge Lead by Lori Muir

Thought from Kelly Mickelsen

Comprehensive Guidance Plan: Mr. Ryan McGuire - today was the last day of class changes through the counseling center - Freshman Day will be in February to introduce our various programs to the incoming sophomores - we will go to 5 1/2 counselors next year up from 1/2 Moved into our budget approval and Mr. McGuire explained the increase of Trustland funds for our school; Mr. McGuire talked about TSSA funds as well and where the TSSA funds have been allocated; he explained how the funds have been used hire "success coaches", wellness center supervisors, Chromebooks, calculators, touch-screen televisions for math, and professional development; he wanted the council to see and understand how the TSSA funds work Mr. McGuire talked about the "Create Your Story" Curriculum and introduced it to the SCC; he explained how it would be rolled out to our students through the sophomore leadership classes that Mr. Ryan Magoffin teaches; talked about potentially adding the curriculum as a class and asked the members in attendance to give some thought to the interest in doing so; members voiced their interest in potentially looking at adding it as a class and also voiced their interest in having their students take such a class; the council recommended adding a resiliency class as an elective for juniors and seniors
Voiced their concern about messaging coming from Infinite Campus and identifying who the messages are coming from; there were questions about accessing or adding the student scheduling component to InfiniteCampus
There were concerns brought up about teachers keeping grades current.
