

SHHS School Community Council Minutes - 11/14/2022

Members in Attendance: Kelsey Gardner, Lori Muir, Rebekah Davenport, Janessa Wilkinson, Melanie Paxton, Shelly Neria, Sandy Hughes, Andy Gull, Ryan McGuire, Curtis Burton, KyLynn James, Aubrey Turnbow

Pledge Lead by Sandy Hughes

Thought from the Community Council Chair - from Puffs

Comprehensive Guidance: Andy Gull - Talking about registration and how registration will be conducted this year; talking about the 0 hour math class; our trainer, Krystal Greenwell, has been approved for concurrent enrollment classes

Notes: Ryan McGuire - Trustland Goals and Painting a Room: A Bucket Analogy; Mr. McGuire explained cost allocation and state stipulations; explained that the textbook fund was taken away from the schools; he talked about the bucket analogy and whether or not our expenses fall into one of the colored buckets that we looked at; Mr. McGuire transitioned into a discussion about our School Improvement Plan and our goals associated with the school's improvement plan; Mr. McGuire talked about how Trustlands money has gone towards paying for trackers and we talked about our new trackers; he also talked about how we can hire teachers to keep our class sizes down, and he also talked about using Trustlands funds to pay for an extended day where necessary; we had a discussion about the "Sources of Strength" program that is going to replace Hope Squad going forward; growth of school and potential assignment and reallocation of space for programs
