

# School Community Council - 10/10/22

Members in Attendance: Kelsey Gardner, Lori Muir, Rebekah Davenport, Janessa Wilkinson, Melanie Paxton, Shelly Neria, Sandy Hughes, Taylor Jones, Ryan McGuire, Curtis Burton

Minutes: Pledge - Shelly Neria; Thought - Abraham Lincoln thought - "Whatever you are be a good one."; Melanie Paxton; Comprehensive Guidance Plan - Taylor Jones; Review Community plan from last year - Ryan McGuire

Notes: Reviewed our Comprehensive Guidance - Taylor; Review Community plan from last year, looking at the pie chart data, looked at comparative data as it, answered questions about the reasoning behind the spikes in mathematics, and other classes but particularly the math data; we talked about plans for going forward and controlling what we can control; mentioned what we value with student progress and growth - Ryan McGuire; Lori Muir talked about the scheduling component and the positive impact it had on the students' results with the test. We had a discussion about testing and ACT testing and the impact that testing has on college placement; Sandy Hughes talked about a teen program to help our students be more secure, focused, and grounded; the program is called Safe Harbors; Mr. McGuire talked about vetting the program through this committee; there were various questions asked about the Leadership 1 and 2 classes and the curriculum and the potential integration of the Safe Harbors program.
