# STUDENT RECOGNITION

Luke Southam has worked so hard all school year in two college math classes, but I have been especially impressed with him over the last couple of weeks as he has been out of the country and STILL staying caught up on all his work! He has continued to communicate with me and classmates to make sure he knows the material and is prepared for the test when he returns. Thanks for all of your effort, Luke!-

# PERFORMER OF THE WEEK

Linden is a 2nd year Junior and also serves as a leader on the captains panel. She has really stepped into her role as a leader this year by helping other students with choreography and cleaning. She has the most contagious smile and the greatest laugh. She has had a lot of success in syllabus and open as well as mastering our formation routines. She has even gotten through dances with a broken wrist and figured out how to dance with the injury despite the challenge! We love her and love having her on the team!
