# STUDENT RECOGNITION

**Connor Musgrove**

Math Scholar of the Week

Conner Musgrove has a brilliant mathematical mind. He works hard in every class, works to understand the math — no matter the time and effort required -- and is always sought after for help by those around him. He does not expect recognition, but definitely deserves it.

**Mrs. Tolbert**

**Sofia Arratia Andrade**

Positive Attendance Recognition

I would like to nominate Sofia Arratia Andrade for the "We Show Up" award. Sofia is a wonderful student who brings a love of learning to the classroom. She has a wonderful attitude and is willing to participate in class, even when others won't. Sofia shares her insights about what we are learning in class with her peers and she helps to foster a spirit of cooperation and collaboration in the classroom. Sofia is a wonderful student and a great example of a Skyhawk!

**Mr. Minson**

## PERFORMER OF THE WEEK

Linden is a 2nd year Junior and also serves as a leader on the captains panel. She has really stepped into her role as a leader this year by helping other students with choreography and cleaning. She has the most contagious smile and the greatest laugh. She has had a lot of success in syllabus and open as well as mastering our formation routines. She has even gotten through dances with a broken wrist and figured out how to dance with the injury despite the challenge! We love her and love having her on the team!

**Linden Valgardson**

**Mrs. Gordon**
