AP Changes for This Year

The College Board, creators of Advanced Placement, recently announced significant changes to the AP exam ordering process, deadlines, late fees and cancellation fees that will be mandated for all schools and all students in the **2019-2020** school year.

This year, all students will decide whether or not to take exams and order their exams by Nov 15, 2019. All students in 1st semester or yearlong AP classes who register after Nov 15, 2019, will be assessed a \$40.00/exam late fee. In addition, a \$45.00/exam cancellation fee will be assessed for any exam order canceled after Nov 14, 2019.

It is important that all families are aware of these looming changes, especially as students begin registering for their 2019-2020 courses. We understand that these changes may cause concern for students, parents, and teachers. Please keep in mind that these changes are being mandated by the College Board and were not determined by the school.

Additional details regarding the College Board's new process will be made available in AP classes next week.

I Can't See My Schedule:

If you can't see your schedule , it could be for one of these three reasons:

1. You have not registered online yet for school.
 - Visit the School Website and click on the Registration tab to get started using the parent username and password.
2. You have not taken care of your registration fees.
 - The fees can be paid online at myschoolfees.com during the registration process or in person at the finance office.
3. You have unresolved "U"s from last year that you need to visit with SHHS Administration to take care of.
 - Visit with Administration to clear these up. You can do three service hours to make up for each U. Bring in a note with the signature of the person you served and the hours.
