

Student Parking Information

Parking pass cost is \$10.00 for the year. Students should purchase a pass to park in all student lots around the school during the school day. Students are not permitted to park in faculty or visitor designated parking spaces. Tickets will be issued for not having a parking pass on display, parking in faculty or visitor parking, and other violations like not parking in marked stalls, blocking other student's entry or exit to cars, and parking outside the designated spaces.

Tickets will be issued at any time when school is in session. Tickets need to be taken care of as soon as possible in the finance office. If a student receives a second ticket before they have taken care of the first the fines increase as outlined below.

Fines:

1st ticket \$10.00

2nd ticket unpaid \$25.00

3rd ticket unpaid \$25.00 and boot

*to remove boot all tickets must be paid.

Salem Hills High School encourages all students to drive safely and follow all traffic laws.
